

'He Will NEVER Leave Me'

By Sister Natalie Perkins

“For thus said the LORD God of Israel, The barrel of meal shall not waste, neither shall the cruse of oil fail, until the day that the LORD sendeth rain upon the earth.

And she went and did according to the saying of Elijah: and she, and he, and her house, did eat many days.

And the barrel of meal wasted not, neither did the cruse of oil fail, according to the word of the LORD, which he spoke by Elijah.” I Kings 17:14-16

I am so beyond blessed let me rephrase that, we are so blessed that we have such an anointed man and women of God to speak into our lives: Bishop Jones & Pastor Joyce. He spoke it and I shall believe the above passage, just as the lady gathering the sticks for her and her household. The Bible says tell about the good deeds the Lord has done for you, that it may encourage those around you. I am able to testify of His goodness because I believed what the man of God told me about my oil never running out.

My son needed sponsors for a trip that he is taking in November through school. I had no idea where this chunk of money was going to come from. So I approached my CEO about the great opportunity for our company and he did something I didn't even expect to happen. He sponsored not two times the amount that was requested but four times the amount. WOW! Over and above, he blessed my son and his school mates. What favor my Father above gave me from this boss of mine. Now why should that have shocked me, that something so great would have happened for my children and I? Isn't that what His Word just told me? **“She,**

and he, and her house, did eat many days.”

We are eating the good of God and all His blessings. I should never be shocked or surprised what my Father does for me. And neither should you. I am His child and He takes care of ALL His children who obey Him. **“But even the very hairs of your head are all numbered. Fear not therefore: ye are of more value than many sparrows.” Luke 12:7.** He takes care of these creatures (the sparrows) that can't do as much as you and I; so, why wouldn't He take even more care of us?

Sometimes I do allow His Word to slip away for a moment but then His precious Spirit reminds me of His Word. Let us not be conformed to the world's way of thinking and start **thinking Kingdom thoughts!** That's what we have been getting taught, right? And I am pointing the finger right at myself. How much good does my Father have to do before I truly realize that He will **never leave me nor forsake me.**

He told me back in January last year. **“¹⁸Remember ye not the former things, neither consider the things of old. ¹⁹Behold, I will do a new thing; now it shall spring forth; shall ye not know it? I will even make a way in the wilderness, and rivers in the desert.” Isaiah 43:18-19.** And throughout the year when things started going array the Holy Spirit reminded me of what He told me. He **has and is making** a way, but I have to remember to keep myself out of the way and let Him make the path straight for me. So I will continue to eat that word and every word I know He has spoken to me through my closest friend, The Holy Spirit. Rivers be of good cheer, this is **your season!**
